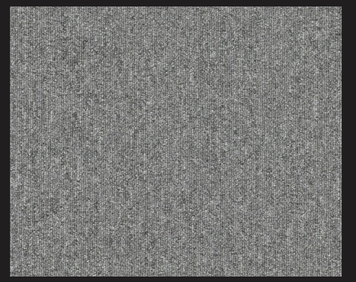
NEBULA **8423** Cluster Blue and **8413** Luna Grey

Inspired by the colours of the cosmos, Nebula is a range of hard wearing carpet tiles available in five contemporary shades.

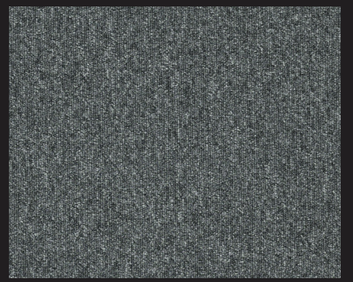
Its construction meets the budget and design requirements of schools, commercial offices and a wide range of institutions.

Made from solution dyed nylon, with a high fire classification, it offers a durable and practical flooring solution for demanding environments.

8413 NEBULA Luna Grey

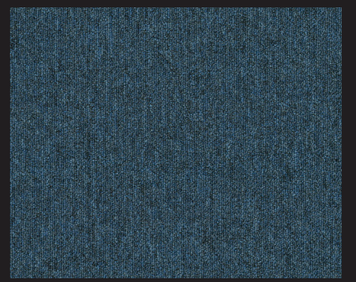


8424 NEBULA Space Ash



8408 NEBULA Cosmic Sand

8423 NEBULA Cluster Blue



8429 NEBULA Dark Void

NO FUSS. JUST GREAT FLOORS ON SITE, ON TIME, AND ON BUDGET.

It's why we make the whole experience as simple as it can be, from finding the perfect design to getting it delivered to your location.

Choice without the confusion.
Colour choices can be confusing, and the last thing you need is to browse endless hues, shades, and tones. It's why we keep our colour choice much simpler.

We stock a comprehensive selection of popular, relevant, and practical colours that work for a wide range of projects to make your decisions easier and keep your projects moving.

Pricing without the pain.
When you are looking for the right floor, you want one that matches both your chosen style and budget.

Our competitively priced ranges are created to meet a breadth of design requirements and budgets without adding complexity. We also make it simple to get a project price quickly.

Delivery without the delay.
When the moment to install your flooring is fast approaching, the last thing you need is to have any doubts as to whether it will turn up on time. It's why we have large stocks in the UK for immediate delivery.

We are always ready to dispatch quickly, so wherever you are in the country, you'll get your floorcovering when you need it.
