

CASE STUDY

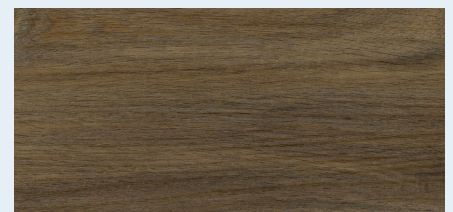

MOMENTA HERITAGE OAK AND NUTMEG OAK

Recently-established Vietnamese restaurant 'NAM' has completed its fit out to a spec provided by cutting-edge design and build company Amspec. The specification for the new restaurant included the installation of a statement floor – a brief that Amspec knew Duraflor could fulfil.

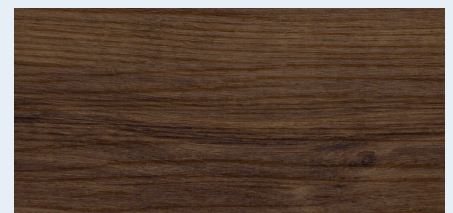

To blend with the quirky bar area and exposed brickwork, Duraflor's MOMENTA range was selected. Using the HERITAGE OAK and NUTMEG OAK colours, the full size vinyl planks were laid in a herringbone pattern, thus helping to create an inviting and relaxed atmosphere in this new Manchester based restaurant.

The MOMENTA range delivers eye catching luxury balanced with low maintenance practicality, and our client can be confident that their floor will remain a statement piece for years to come. A quality floor to match the quality food.
