

CASE STUDY

MOMENTA MACCHIATO

Creating a luxury, classic interior for C suite of offices at 4 Cavendish Square (located close to Oxford Street) was the perfect project for Zentura. Duraflor were able to offer the right product to meet their brief. Practical yet elegant, the dark rich tones of MOMENTA complemented the overall look chosen for this impressive Grade II listed building. The project involved a more modern twist when it came to fitting out the large breakout area.

The basement was chosen as the home for this large communal space, which was fitted out with a luxury tea point and other amenities for the staff to enjoy. MOMENTA MACCHIATO was chosen as the floor covering, as it is an easy to maintain yet authentic looking, with a beautifully textured surface.

For more information on 2018 design trends, which consider homely comforts, technological requirements and staff well being, take a look at our Practical Design blog on the subject.
