

## CASE STUDY

### MOMENTA, PROGRESSION AND BRIGHT IDEAS

When Chameleon appointed Zentura to create the ideal look for their newly acquired office space, we were asked to help them create the perfect floor space for their blank canvas brief. By supplying a combination of carpet tiles and luxury vinyl tiles in colours that enhanced the look of the furniture and partitioning, we assisted Zentura in creating a very distinctive feel.

MOMENTA MILL GREY luxury vinyl tiles provided the perfect flooring solution for the busy kitchen area. In addition, our PROGRESSION carpet tiles provided the ideal backdrop to the furniture colour scheme chosen. To give the floor extra pop, complement the furniture and give the office a bright and fresh look BRIGHT IDEAS carpet tiles were used.
