CIENNA

8517 Amber Oak

The CIENNA Collection is a mix of wood, stone, concrete and terrazzo effect safety flooring. Each design shares a natural raw beauty and a distinctive authenticity.

A hard wearing, safety flooring that is suitable for areas where slip risk is high, and superior aesthetics are essential. The range is PTV rated at 36+ slip resistance, incorporating an innovative grip technology. It is available in 2m widths which means less joints for an even more comprehensive hygienic solution.
