looselay luxury vinyl tiles

ESPRESSA Natural Grey

ESPRESSA

ESPRESSA is a range of loose lay tiles that replicates the attractive natural effects found in wood and stone.

Available in 7 popular wood effect designs, ESPRESSA brings classic elegance to any restaurant, office or commercial space.

Created specifically with the needs of the interior designer in mind. We understand the importance of making a good first impression; and the ability to instantly create a stunning look that will stand the test of time.

ESPRESSA

For a modern commercial environment, we offer a range of concrete shades available in light, mid and dark grey.

These designs are especially suited to offices and interiors that have a more industrial feel. An on-trend urban environment can be created but with the added warmth, and the many benefits of loose-lay, luxury vinyl tiles.

Always a popular product for hospitality, retail and educational environments, where practicality and style are perfectly combined.
