

Product Specification

Dimensions

Tile 50cm x 50cm
Pack Size 5m²
20 tiles / box

Pile Density
0.61 g/cm³

Pile Composition
Polyamide 6

Total Mass
3,911 g/m²

Total Thickness
7.5 mm

Pile Mass
600 g/m²

Technical Data

Fire Rating
EN13501-1 Bfl-S1 (adhered testing)

Light Fastness
EN ISO 105 B02 ≥ 6

Impact Sound Reduction
ISO 10140 26dB

Slip Resistance
EN14041:2004/AC:2006

Electrostatic Performance
ISO 6356 ≤ 2.0 kV (stroll test)

Guarantee

10 years

LANDSCAPE
Carpet Tile

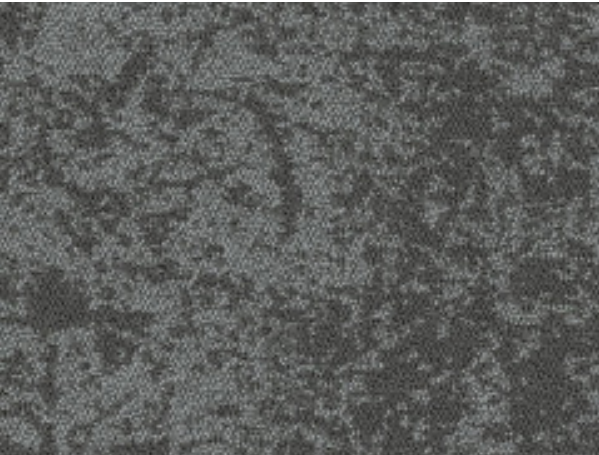

DURAFLOR

LANDSCAPE

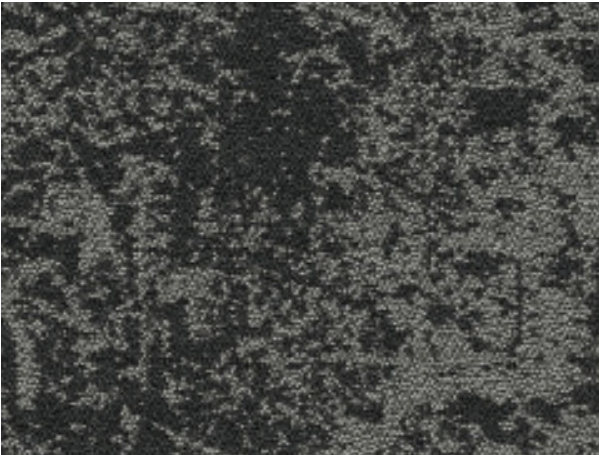

Landscape is a durable, design-led carpet tile range inspired by the rugged mountains, moorlands and natural terrain of Northern Europe and the UK. Designed for commercial environments including education, offices and retail, it combines organic patterning with dependable performance. Manufactured from 100% solution dyed Polyamide 6, Landscape offers strong stain resistance, colour retention and anti-static performance, with recycled-content backing and a Class 33 rating.
